News Release

VA Caribbean Healthcare System (VACHS) Response to TS Grace

San Juan, Puerto Rico – The VA Caribbean Healthcare System announces that, based on the most recent dispatch from the National Hurricane Center about Tropical Storm Grace and local governments (PR and USVI), we will be conducting regular operations on Monday. We encourage Veterans to exercise good judgement while deciding to show up to their appointments. If needed, we will offer Telemedicine or the option to reschedule their appointments.

Should any unplanned changes take place in the next 24 hours, we will promptly communicate them.
